Mission Statement:

The Mission of New Beginnings House is to provide substance free, safe, Christ centered housing for women battling addictions or other life controlling problems. Recovery will be enhanced by required participation in the Transformation Project (TP), 32 to 40 hours a week employment, and other studies and experiences.

House Rules and Agreement: Upon acceptance to New Beginnings House (NBH), one of the Volunteer Committee members will review NBH Rules and Contract with new resident. **There will be periodic review of NBH Rules and Contract as circumstances require. NBH Rules and Contract may change as circumstances occur.** Residents will be provided with an updated NBH Rules and Contract immediately as they are changed. Residents can choose to sign or not sign updated NBH Rules and Contract. **If they choose not to sign, they will be required to leave. Dismissal will be reported to necessary agencies, i.e., court, probation officer, next of kin, etc.**

Resident will advance Levels as resident progresses toward a healthy lifestyle. **If resident is not progressing, a meeting will be held with resident and at least five NBH Committee members to determine if resident will remain in NBH or be dismissed.** If it is determined, **at any time,** resident has created discord or negative environment, NBH Committee reserves the right to dismiss resident.

Time spent in each level depends on compliance. Movement to next Level is at discretion of a committee member(s).

May 14, 2026

Level 1 Intake Minimum of 2 days- Maximum of 4 days	INTAKE starts Day 1 and requires approximately two to four days. During this period: ● All fabric items must be washed before storing in NBH. ● No outside contact with family or previous friends or relatives (anyone) allowed until advanced to Level 4. Family may be informed that you are safe and in East Brainerd area. ● Resident will be supplied with clean bedding, towels, a bathroom tote filled with toiletries and one large laundry detergent upon arrival. ● NBH cell phone will be provided until job is started or one month after Intake unless the NBH Committee approves further use. ● NBH Cell Phone Contract must be signed by resident, NBH Committee member and Witness. ● Resident may not use other residents' phones unless a true emergency (life or death situation). ● Resident will be restricted to NBH unless with her Transformation Project coach or NBH Committee member. ● Resident may use the NBH Cell Phone or Landline Phone to work on setting up: ○ counseling appointments ○ physician appointments ○ application for food stamps ○ contacting probation officer ○ job searching ○ contacting TP coach ● Resident's Notebook will be given to each resident and will contain forms that resident will complete as required. ● Resident's Notebook will be checked at Weekly House meeting. FINES* will be levied if not completed.	
---	---	--

Level 2 Maximum of 40 Days total or 44 days from Intake	When resident has completed Level 1, resident may request to advance to Level 2. During this period (Level 2): • Resident must actively seek or have a first shift job unless there are extenuating circumstances to be evaluated by NBH Committee. Employment must consist of 32-40 hours per week. Resident cannot work from NBH unless approved by the NBH Committee. • Resident may arrange transportation through transportation coordinator during the first 45 days only (refer to Welcome to the NBH Important information in Resident Notebook). Resident may ride with another resident in the resident's car if they are going to the same location and a Transportation Waiver and Release Liability is signed each trip. • If no job is found within 45 days and a bank account established, resident may be dismissed from the NBH program and reported to necessary agencies about being dismissed, i.e., court, probation officer, next of kin, etc. • Job Search form must be completed and checked during the Weekly House meeting. NBH Committee members reserve the right to verify listed potential employers. • Resident may have personal cell phone when: - Employment begins - NBH Financial Committee member certifies payment of appropriate bills and fees. • Six meetings a week must be attended. ○ Transformation Project, church services, Bible studies, Weekly House meeting, counseling meeting, Celebrate Recovery (CR), AA, and NA count. ○ At least one meeting a week <u>MUST</u> be a CR, AA, or NA meeting. ○ <u>Sponsor is required</u> for the program chosen and must be maintained throughout NBH residency. ○ Resident's NBH Meeting Attendance Sheet from the Resident Notebook should be taken to every meeting and completed by the meeting leader ○ Sheet will be kept in Resident Notebook. ○ All meetings should be <u>in person</u> unless there is an extenuating circumstance to be evaluated by the NBH committee. • NBH must be kept clean and organized. • Rent will be collected when the resident receives their first paycheck or on the first day of stay if funds are available. • Curfew is 9:30 pm. • Resident must search for appropriate community service and begin as time allows. Resident's NBH Meeting Attendance Sheet from the Resident Notebook should be taken to every community service and completed by the community service leader. • Recovery Readings: Residents will be required to engage in daily Christian study: Bible, TP Books, devotional readings, etc. Each will be recorded on daily Recovery Reading Log kept in Resident Notebook. • Resident's Resident Notebook will be checked at Weekly House meeting. 1. Drug Free NBH

- Resident agrees to completely abstain from alcohol or the use of any unapproved drugs while living in NBH. This includes but not limited to possession of any alcohol, illegal drugs, CBD, Kratom, K-2 Spice, Tianeptine, etc., drug paraphernalia, and prescription drugs (Methodone, Suboxine, etc.) not approved by NBH Committee on or off the property or in the resident's vehicle at any time.
- Random drug screens will be completed; urine collection will be observed by screener.
- If resident cannot submit a urine sample, resident will be asked to sit in the living room until a sample can be provided. Violating this rule is grounds for having the resident leave the house with all belongings within 24 hours. **Items left in NBH will be disposed of at the discretion of the NBH Committee.**

2. Participate in the Transformation Project

Resident agrees to fully participate in TP on the campus of EBCOC.

May 14, 2026

3. Relationships

- As resident will be focusing on a new lifestyle while residing in NBH, they must agree to abstain from dating, sexual relationships, or online interactions or relationships with the opposite or same sex as long as they reside in NBH.
- Violating this rule is grounds for dismissal with all belongings within 24 hours. **Items left in NBH will be disposed of at the discretion of the NBH Committee.**
- If resident is married or in a long-term relationship, resident must report this during New Beginnings House Oversight Board (NBOB) initial interview.
- When resident enters NBH, there should be no contact with her spouse or partner until resident reaches Level 4. This includes phone calls, letters or in-person contact.
- After resident reaches Level 4, spouse, partner, or family member can attend meetings with approval of NBH Committee.

4. Respect

- Residents must be up, dressed, and bed made by 8:30 each morning. Days need to be filled with productive activities.
- **No borrowing or lending of money, clothes, or other items.**
- Residents may never enter another resident's room.
- Personal items should not be left in NBH common use areas when resident returns to their room.
- Rooms will be inspected weekly for cleanliness. FINES* can be levied if personal areas are not kept clean and orderly.
- Chores list will be organized by the Senior Resident. If there is no Senior Resident, the Chores List in Resident Notebook will be followed. FINES* will be levied if refusal or inability to complete chores is repeated.
- If resident uses nicotine products, products should only be used outside on southwest side of NBH.
- There will be no sexual contact between residents or with others. Violating this rule is grounds for dismissal with all belongings within 24 hours. **Items left in NBH will be disposed of at the discretion of the NBH Committee.**
- No pets.
- When resident leaves the NBH for any reason, resident must sign out and sign in upon return on the appropriate form.
- Resident will document work schedules on approved calendar. FINES* will be levied if calendar not completed.

- Resident will eat only foods they purchased or that have been given to them.
- Clean out leftovers or other foods that belong to you in the refrigerator once weekly.
- The volume on radios, TV, and electronic devices should be kept to a minimum (ear buds) if other residents are trying to sleep. **Turn off the TV when no one is watching. No other TVs allowed.**
- There will be zero tolerance for any forms of intimidation and/or violence. Resident(s) who cannot get along with others will meet with at least five NBH Committee members to determine dismissal(s). This decision will come after interviews by these committee members with all parties involved to determine who will be asked to leave.

5. NBH Fees and Other information

- Residents will be charged no more than \$100 a week or \$400 a month which covers electric, water/sewage, internet, and rent. Payment of one week's rent will be made upon intake if possible. Weekly rent will be due the same day of each week. If paying on a monthly basis, payment should be on the first weekday of the month.
- If resident is employed and is late on rent, there will be a \$20 late rent fee assessed per week. If a resident is employed and falls behind more than two weeks rent without excused reasons approved by NBH Committee, this is grounds for dismissal.
- When a resident is new and still job searching, individual payment plans will be worked out. In the event of a job change, loss of a job (other than being fired for inappropriate conduct), or illness, rent will be worked out on an individual basis.
- If not paying electronically, payment must be put in envelope with the resident's name on the envelope to be deposited with EBCOC office.
- Money for any expenses (medical, food, etc.) that needs to be purchased before resident has a job will be made available from the EBCOC NBH budget. Resident will reimburse EBCOC NBH budget when resident has a job.
- A code to entry door keypads and a key will be provided and should not be shared with anyone. **Sharing of code or key will result in immediate dismissal or arrest.**
- With the exception of Senior Resident, other residents will not lock door at any time. **THERE ARE NO EXCEPTIONS.**
- Any valuables possessed are the resident's responsibility.

6. Jobs, Visitors, and Curfew

- Every resident must have a job no later than 45 days from Intake date (refer to Level 2). Assistance will be available upon request.
- If transportation is needed, resident will only contact Jackie Gault, Transportation Coordinator, at least 24 hours before needed ride. Carta bus is the preferred mode of transportation. Money for bus voucher will be covered by EBCOC NBH budget before employment is secured, but the resident will reimburse EBCOC NBH budget when employed.
- Do not contact any volunteer or church member for transportation other than the Transportation Coordinator.
- **Residents must have first shift, full-time job (refer to Level 2)** to enable participation in TP, CR, AA, NA, and other recovery programs in the evening.
- Until a job is found, the resident must be looking for a job, enrolled and attending classes, and/or putting time into community service (refer to Level 2).
- There will be no visitors in the house including children of the resident. When the resident first comes to NBH, relatives will be shown the house by a committee member. Sunday morning church is a preferred time and place to connect with relatives and friends **when Level 4 has been reached**.
- Any approved visitors, including maintenance personnel, parole or probationary officers, etc., entering NBH must be escorted by a NBH Committee member.
- Residents must abide by curfew. Refer to each Level for curfew times. Depending on work schedules, exceptions may be made by NBH Committee.
- Resident can request daytime or overnight pass as NBH Committee witnesses continual progress toward a healthier lifestyle (refer to Level 5). Resident will complete and submit to any NBH Committee member 24 hours before event for approval by entire committee unless there are extenuating circumstances.

7. Phone, TV and Internet

- Resident may have personal cell phone or continue to use NBH cell phone per NBH Cell Phone Contract when job as previously specified continues and resident progresses through NBH program.
- **Your cell phone is subject to be taken and searched by any NBH Volunteer Committee member at any time.** Refusal to relinquish is grounds for dismissal.
- If a call is received requesting information about another resident, do not disclose **ANY** information to **ANY** caller.
- No inappropriate shows should be watched on any type of electronic device.

May 14, 2026

8. Monitoring of the NBH

- Cameras are in community areas of NBH (living room, kitchen, office, laundry area, and around the outside of the NBH) for the protection and accountability of the residents.
- Because cameras are on 24/7, resident may not leave their bedrooms or bathroom unless all private areas are completely covered.
- Resident may not cover a camera or otherwise touch the cameras or locked closet where router is housed.

*** FINES 1st offense - \$10, 2nd offense - \$20, 3rd offense - \$30, 4th offense - conference with NBH Committee to determine if resident is committed to or dismissed from NBH program.**

I understand that residence at NBH and participation in the TP are optional. I further understand that I am not a tenant and NBH is not a landlord. I understand that I am not signing a lease and this Contract does not confer tenancy rights. I understand that my residency at NBH is conditioned upon my following the rules and guidelines set forth in this Contract, and that my residency may be terminated for a violation of this Contract.

 v) What is a continuous function? A continuous function is a function that has no breaks or jumps in its graph.
 w) What is a discontinuous function? A discontinuous function is a function that has one or more breaks or jumps in its graph.
 x) What is a differentiable function? A differentiable function is a function that has a unique tangent line at every point in its domain.
 y) What is a non-differentiable function? A non-differentiable function is a function that does not have a unique tangent line at every point in its domain.
 z) What is a convex function? A convex function is a function whose graph is always curving upwards.
 aa) What is a concave function? A concave function is a function whose graph is always curving downwards.
 ab) What is a saddle point? A saddle point is a point on a surface that is neither a local maximum nor a local minimum.
 ac) What is a local maximum? A local maximum is a point on a function where the function has a peak.
 ad) What is a local minimum? A local minimum is a point on a function where the function has a valley.
 ae) What is a global maximum? A global maximum is the highest point on a function.
 af) What is a global minimum? A global minimum is the lowest point on a function.
 ag) What is a stationary point? A stationary point is a point on a function where the derivative is zero.
 ah) What is a turning point? A turning point is a point on a function where the direction of the curve changes.
 ai) What is an inflection point? An inflection point is a point on a function where the concavity changes.
 aj) What is a root of a function? A root of a function is a value of x such that f(x) = 0.
 ak) What is a zero of a function? A zero of a function is a value of x such that f(x) = 0.
 al) What is a solution of an equation? A solution of an equation is a value of x that satisfies the equation.
 am) What is a root of an equation? A root of an equation is a value of x that satisfies the equation.
 an) What is a solution of a system of equations? A solution of a system of equations is a set of values for the variables that satisfy all the equations in the system.
 ao) What is a root of a system of equations? A root of a system of equations is a set of values for the variables that satisfy all the equations in the system.
 ap) What is a solution of a differential equation? A solution of a differential equation is a function that satisfies the differential equation.
 aq) What is a root of a differential equation? A root of a differential equation is a function that satisfies the differential equation.
 ar) What is a solution of a partial differential equation? A solution of a partial differential equation is a function that satisfies the partial differential equation.
 as) What is a root of a partial differential equation? A root of a partial differential equation is a function that satisfies the partial differential equation.
 at) What is a solution of a matrix equation? A solution of a matrix equation is a matrix that satisfies the matrix equation.
 au) What is a root of a matrix equation? A root of a matrix equation is a matrix that satisfies the matrix equation.
 av) What is a solution of a vector equation? A solution of a vector equation is a vector that satisfies the vector equation.
 aw) What is a root of a vector equation? A root of a vector equation is a vector that satisfies the vector equation.
 ax) What is a solution of a scalar equation? A solution of a scalar equation is a scalar that satisfies the scalar equation.
 ay) What is a root of a scalar equation? A root of a scalar equation is a scalar that satisfies the scalar equation.
 az) What is a solution of a system of scalar equations? A solution of a system of scalar equations is a set of scalars that satisfy all the equations in the system.
 ba) What is a root of a system of scalar equations? A root of a system of scalar equations is a set of scalars that satisfy all the equations in the system.
 bb) What is a solution of a matrix equation and a vector equation? A solution of a matrix equation and a vector equation is a matrix and a vector that satisfy both equations.
 bc) What is a root of a matrix equation and a vector equation? A root of a matrix equation and a vector equation is a matrix and a vector that satisfy both equations.
 bd) What is a solution of a scalar equation and a matrix equation? A solution of a scalar equation and a matrix equation is a scalar and a matrix that satisfy both equations.
 be) What is a root of a scalar equation and a matrix equation? A root of a scalar equation and a matrix equation is a scalar and a matrix that satisfy both equations.
 bf) What is a solution of a vector equation and a scalar equation? A solution of a vector equation and a scalar equation is a vector and a scalar that satisfy both equations.
 bg) What is a root of a vector equation and a scalar equation? A root of a vector equation and a scalar equation is a vector and a scalar that satisfy both equations.
 bh) What is a solution of a system of matrix equations? A solution of a system of matrix equations is a set of matrices that satisfy all the equations in the system.
 bi) What is a root of a system of matrix equations? A root of a system of matrix equations is a set of matrices that satisfy all the equations in the system.
 bj) What is a solution of a system of vector equations? A solution of a system of vector equations is a set of vectors that satisfy all the equations in the system.
 bk) What is a root of a system of vector equations? A root of a system of vector equations is a set of vectors that satisfy all the equations in the system.
 bl) What is a solution of a system of scalar equations and a matrix equation? A solution of a system of scalar equations and a matrix equation is a set of scalars and a matrix that satisfy all the equations in the system.
 bm) What is a root of a system of scalar equations and a matrix equation? A root of a system of scalar equations and a matrix equation is a set of scalars and a matrix that satisfy all the equations in the system.
 bn) What is a solution of a system of vector equations and a scalar equation? A solution of a system of vector equations and a scalar equation is a set of vectors and a scalar that satisfy all the equations in the system.
 bo) What is a root of a system of vector equations and a scalar equation? A root of a system of vector equations and a scalar equation is a set of vectors and a scalar that satisfy all the equations in the system.
 bp) What is a solution of a system of matrix equations and a vector equation? A solution of a system of matrix equations and a vector equation is a set of matrices and a vector that satisfy all the equations in the system.
 bq) What is a root of a system of matrix equations and a vector equation? A root of a system of matrix equations and a vector equation is a set of matrices and a vector that satisfy all the equations in the system.
 br) What is a solution of a system of scalar equations and a vector equation? A solution of a system of scalar equations and a vector equation is a set of scalars and a vector that satisfy all the equations in the system.
 bs) What is a root of a system of scalar equations and a vector equation? A root of a system of scalar equations and a vector equation is a set of scalars and a vector that satisfy all the equations in the system.
 bt) What is a solution of a system of matrix equations and a scalar equation? A solution of a system of matrix equations and a scalar equation is a set of matrices and a scalar that satisfy all the equations in the system.
 bu) What is a root of a system of matrix equations and a scalar equation? A root of a system of matrix equations and a scalar equation is a set of matrices and a scalar that satisfy all the equations in the system.
 bv) What is a solution of a system of vector equations and a matrix equation? A solution of a system of vector equations and a matrix equation is a set of vectors and a matrix that satisfy all the equations in the system.
 bw) What is a root of a system of vector equations and a matrix equation? A root of a system of vector equations and a matrix equation is a set of vectors and a matrix that satisfy all the equations in the system.
 bx) What is a solution of a system of scalar equations and a vector equation and a matrix equation? A solution of a system of scalar equations and a vector equation and a matrix equation is a set of scalars, a vector, and a matrix that satisfy all the equations in the system.
 by) What is a root of a system of scalar equations and a vector equation and a matrix equation? A root of a system of scalar equations and a vector equation and a matrix equation is a set of scalars, a vector, and a matrix that satisfy all the equations in the system.
 bz) What is a solution of a system of vector equations and a scalar equation and a matrix equation? A solution of a system of vector equations and a scalar equation and a matrix equation is a set of vectors, a scalar, and a matrix that satisfy all the equations in the system.
 ca) What is a root of a system of vector equations and a scalar equation and a matrix equation? A root of a system of vector equations and a scalar equation and a matrix equation is a set of vectors, a scalar, and a matrix that satisfy all the equations in the system.
 cb) What is a solution of a system of matrix equations and a scalar equation and a vector equation? A solution of a system of matrix equations and a scalar equation and a vector equation is a set of matrices, a scalar, and a vector that satisfy all the equations in the system.
 cc) What is a root of a system of matrix equations and a scalar equation and a vector equation? A root of a system of matrix equations and a scalar equation and a vector equation is a set of matrices, a scalar, and a vector that satisfy all the equations in the system.
 cd) What is a solution of a system of scalar equations and a matrix equation and a vector equation? A solution of a system of scalar equations and a matrix equation and a vector equation is a set of scalars, a matrix, and a vector that satisfy all the equations in the system.
 ce) What is a root of a system of scalar equations and a matrix equation and a vector equation? A root of a system of scalar equations and a matrix equation and a vector equation is a set of scalars, a matrix, and a vector that satisfy all the equations in the system.
 cf) What is a solution of a system of vector equations and a matrix equation and a scalar equation? A solution of a system of vector equations and a matrix equation and a scalar equation is a set of vectors, a matrix, and a scalar that satisfy all the equations in the system.
 cg) What is a root of a system of vector equations and a matrix equation and a scalar equation? A root of a system of vector equations and a matrix equation and a scalar equation is a set of vectors, a matrix, and a scalar that satisfy all the equations in the system.
 ch) What is a solution of a system of scalar equations and a vector equation and a matrix equation and a scalar equation? A solution of a system of scalar equations and a vector equation and a matrix equation and a scalar equation is a set of scalars, a vector, a matrix, and a scalar that satisfy all the equations in the system.
 ci) What is a root of a system of scalar equations and a vector equation and a matrix equation and a scalar equation? A root of a system of scalar equations and a vector equation and a matrix equation and a scalar equation is a set of scalars, a vector, a matrix, and a scalar that satisfy all the equations in the system.
 cj) What is a solution of a system of vector equations and a scalar equation and a matrix equation and a vector equation? A solution of a system of vector equations and a scalar equation and a matrix equation and a vector equation is a set of vectors, a scalar, a matrix, and a vector that satisfy all the equations in the system.
 ck) What is a root of a system of vector equations and a scalar equation and a matrix equation and a vector equation? A root of a system of vector equations and a scalar equation and a matrix equation and a vector equation is a set of vectors, a scalar, a matrix, and a vector that satisfy all the equations in the system.
 cl) What is a solution of a system of matrix equations and a scalar equation and a vector equation and a matrix equation? A solution of a system of matrix equations and a scalar equation and a vector equation and a matrix equation is a set of matrices, a scalar, a vector, and a matrix that satisfy all the equations in the system.

The Company and/or its Agent have entered into an agreement with SSA that, among other things, includes restrictions on the further use and disclosure of SSA's verification of your SSN. To view a copy of the entire model agreement, visit <http://www.ssa.gov/cbsv/docs/SampleUserAgreement.pdf>.

NOTIFICATION AND AUTHORIZATION FOR PROCUREMENT OF CONSUMER REPORTS

The purpose of this release is to allow **East Brainerd Church of Christ** (referred to as "Company"), Application Researchers, LLC, or their assigns, to obtain motor vehicle reports, as well as any other verifications deemed appropriate, while maintaining compliance with all governmental laws.

In accordance with the Fair Credit Reporting Act, 12.CFR.1022, et seq., I am aware I have the right to make a written request of Application Researchers, LLC, Post Office Box 11, Chattanooga, Tennessee 37401-0011, (800) 865-5272, to obtain additional information regarding the nature and scope of the background check, as well as receive a written summary of my rights under the Fair Credit Reporting Act.

If the Company considers the background checks unfavorable, I agree that the Company may deny me the assignment or discharge me from employment. I release the Company, its officers, agents, and employees from all liability resulting from the collection, use, or disclosure of the information obtained during the above investigation. I authorize without reservation any party or agency contacted by this Company or its representatives to furnish the above-referenced information. I further authorize ongoing procurement of the above-referenced reports at any time, either during the time of my application for employment is being considered or throughout the duration of my assignment in the event that I am a current Company employee.

I certify that the information set forth below is complete and true. I have read this release and consent, understand its terms, realize its significance, and sign it voluntarily.

I am willingly providing the following information necessary for the above investigation and understand that this information is being used for verification purposes only.
